Coppin Degree: Bachelor of Science – Management Science 1994

Other degrees or certificates: Masters — Adult education 1998

Current title/employer, business, or profession: Director Faculty Development and Training,
University of Maryland Global Campus

Why are you interested in serving as an officer on the Coppin State University National Alumni Association (CSUNAA) executive board?

I'm interested in serving on the alumni board because I want to give back to the institute that gave me so much. Coppin was not only the place where I received both my bachelors and masters degrees it also where I began my professional career.

The instructors, administrators and staff shaped and developed me into the professional well rounded woman I am today. I believe it is important to share your time, talent, and treasures. I have shared my treasures some of my time and now I want to share my talent with Coppin State University Alumni Association.

How can you support the alumni association to further engage alumni?

I plan to engage alumni with my strong social media presence as well and the various events I attend with my fellow Coppin classmates.

Is there anything else you would like to share that would be beneficial to the alumni association?

I have served in various civic organizations as a parliamentarian and leader and I want to share those talents with Coppin.
